Dr. 29th of a good Missionary letter, Pres. Cairng
speaks well of you, good boys & the man the man

with his wife soon. No encouragement to search for our
Welsh relations, it was our ^{my} G. G. father, Jesse Mair

I wrote to you the Mair is English, they left Europe on
of bad treatment & that broke off inquiry or relationship
& that, makes hard to trace, where G. M. Wood appears an
island place. If I get any information I will write, I will
send you Twenty Dollars a little note, do not ex-
pose yourself, make your self comfortable. All as well
as usual, My limbs (legs) fail me much. Your deposit
