History of Abraham Hoagland
Born March 24th 1798 in the town
Willsborough Somerset County state
of New Jersey Parents names Lucas
Hoagland & Mary Bunn

my Father & Mother raised a family of
ten, six boys & 4 girls I was the youngest but
one, which was a girl all born in the same
town & County & state at the age of 4 sent to
school & at the age of 13 went and lived with my brother
John in the town of Broadwater on my fathers
farm & went to farming with my brother
stayed three years and at the age of 16 was put
out as an apprentice to John Atkinson to learn
the Black Smith trade stayed with him
4 years according to agreement and then
worked journey work some time, then sett up for
myself on my fathers farm a very wild young man
till the age of 26 the year 1823 when I was made
wiser to live ^{different} which I did beginning to pray unto the
Lord I lived according to the best light
I had near to the Lord in the year 1825 went
in company with young Hoagland and ten Czech
I'll Luick to Michigan Bought 160 acres of land
paid \$100 for it went back again some company

from September 19th up to 19th March
neglected to keep a Daily Journal having a
good Deal to do in my Office as a Bishop and
also receiving my grain preparing for winter
in the absence of my son the most part of
the Inhabitation of the City was called to go out into
the mountains to help the soldiers from coming
in I was in mean time appointed Captain to
run 50 men which I ^{provided} to do our men was
called in all but a few ^{about the fort} near fort Snodgrass to be a
guard to watch the movement of the Soldier which
happened at fort Snodgrass we had much good instruction
from the Presidency & Secretary & Presiding Bishop
& Council & others, enjoying part of the time good
health the other a blind cold & cough which was
quite prevalent in the City and throughout
the territory settling together in the month
Jan & part of February a good spirit I had
my regular meetings in my ward a good spirit
the Brethren & Sister in general felt well in
regard to the things of the Kingdom of God
we had declared our resolve to be ^{our} independent people
upon the account of our abuses from the United
States & an army was sent by the President
of the U.S. to ret us in order we was counseled
to raise an standing army from 1 to 5
years of 1000 men besides staff officers
which was by the 1 of March very near ready
we was counseled also to make shores
to part with our flour in case we should

wrote Peter to the Mountain also to put in our grain
that is raise our grain & plant our gardens this
in the fore part of March we have had a very
pleasant winter & the fore part of March
was very fine until the 13th when it began to storm
rain and snow & cold wind our Brethren were
called out several ways in our Defense & our
property a company of 50 went to Cannon
river to assist our Brethren in as two had been
killed & 5 wounded & the most part of their
cattle drove off supposed the Indian had been
settled by the Mountaineers also at our
valley 50 men sent out my son John was
one of them also near Snodgrass as a guard to watch

start the precip quite a stormy time
with bad roads stormy on 17 Saturday
17th Sabbath clearing off

going to the Sabersable good instruction
from Mr. Healer Kimball & others about
moving & those coming in the Different
wards 20 Quite a spirit to move
manifest in the Evening tended a circle
meeting had a good time 21 trying to send
off the Brethren the Evening tended a Bishop's
meeting the spirit of the times to send the
Brethren off their coming up from the south
Wednesday 22 getting in Medicine to move
a good many a coming from the north

April 1857 up to December 25 Christmas Day
had a good many times moved in April &
may from G. S. L. with the Brethren out
south had a good time in moving I moved
with my Family on what is called
provo Bottoms Land in my tent & wagon
& built two shacks, stayed there part
of my family until the 24 of July
previous to this time there had been
a compromise between us & the army
& the united States & they had come &
passed through the city of G. S. L. the way
was that we might again move back again
which was promised in July my Family moved the
24 back I had put in some shacks in the field
& city raised some wheat corn potatoes & other
garden vegetables in September the 16th 1852 I and
my wife Rebecca had a son born unto us which
we named George Abraham Meril's Hoagland the
Inhabitant of the city the majority moved back
on their own possession again a very good spirit
generally amongst the Brethren & gentile
setting up stores & groceries & trying to establish
their order of things we as Brethren had to had
to meet in council especially the city council
to make and ~~repeal~~ some ordinances & remodel
some for the benefit & safety of citizens ~~in the~~ we
just raised 20 police next to 180 also want
police but by consulting together thought it best
to reduce the city police to 50 good men which
would occupy all their time in the city to
keep the peace which has not yet been done
but are gaining on it there has not been but
few meetings in this city we have had two conferences
since we came back we have of late Bishop meeting
every two weeks I as a Bishop have a teachers meeting
