

88 Westchester Road, South  
Dear George

You must excuse me not  
calling to see you, my hours being  
so early & late prevented me doing  
so, last evening I was much earlier  
than usual, called, but unfortunately  
you were out, wishing you a

prosperous passage  
by sea & a pleasant  
journey by land, but  
— truly you will find  
you bear wife, Cousin  
Leonora & all your  
relatives in good health  
Please present my  
kindest love to them  
all

Wishing you every  
prosperity —  
Good bye and  
God bless you —
