

Wed Morning April 7th 1971

Dearest Darline, P. Cannon just called and read me your letter over the phone. Kathie is teaching so will answer while she is away. We are so thrilled and excited about your coming to Kathie's marriage. Outside of her family am sure you come next in her heart. She will be so thrilled and excited to have you here. Your sweet husband will never know how many people he has made very happy, by making this possible. I will keep your secret, but it will be very hard. You will be as welcome as the flowers after a Winter in Germany. Your coming will bring just a little bit of home to us. We have plenty of room and I shall give you a job. We would love to have you here for the reception and if you can possibly stay we will give you a job.

These are our plans. My sister and her husband from Taft are arriving either April 28th or 29th. Bill will come from Kaiserslautern Thursday April 29. As you know, they have to be married civilly first, so that will take place Friday April 30th at 7:30 A. M. Soon after we will leave for Switzerland. Kathie and Bill in their car, P. Cannon and I, My sister and her husband in our car. We have reservations for over night close to the Temple. The English speaking session is the first session, so we have to be in the Temple by 7:A.M. The wedding breakfast will be at a nice hotel in Bern. You have a SPECIAL INVITATION to attend. You said you would want to spend some time with Norma and Jack. Kaiserslautern is about 1 1/2 hours drive from Frankfurt. Is it your plan to arrive in Frankfurt and go directly to K-Town then back to Frankfurt for marriage then to Switzerland, are will you stay with us until after marriage and trip to Switzerland and then go back to K-Town with the Howells after the breakfast? The Howells are planing to go to Switzerland for the marriage and will attend the breakfast. Let me know your plans so I can make a reservation for you in Switzerland. Hope I have made myself clear. I am writing in such a hurry, forgive all mistakes please.

This is a very busy time as you know. Things seem to be falling into place so we hope to be ready when the big day comes. We all love Kathie's Bill. He is a darling and they are so cute together and you would think that they are the only ones that have ever been in love.

I must run have a million things to do. Give our love to you family and tell them we will be home about Sept. 1st. Send any mail to P. Cannon office, that way we will hopefully keep the secret,

See ye soon Love
