MEMORANDA

Every human being is worth saving.
People without morals have no conscience.

What meaning has life for you?
What in the last resort, does your treasure lie? (Dr. W. Durant.)

Actual practice of religion automatically eliminates crime

Repentance - Being sorry enough to quit.

Enthusiasm is the breath of genius. (Disraeli)

Intelligence - is the mother of good luck (Franklin)

Words - are like sunlight - the more they are condensed the deeper they burn.

The Lord is limited by the hardness of men's hearts.

God will not exert any compulsory means; and the Devil cannot.

(Devil has power over men only to the extent that men give him power)

am very confident the Lord has
more light and truth to break forth
out of His holy word."

Associate yourself with men
