I've B Clara and Marion & Hunter  
Baby Dear sons and Daughters I have  
thought of writing to you for a long  
time but like you I put it off but  
if I am going to get in a letter this year  
I had better start it will be closing up  
in three more weeks how times fly we  
we received  
Photos of you and the children and  
we say what a fine family the little  
one we could not tell if she was light or  
dark only that you sayd she was like  
Mother dont give her <sup>her</sup> own way to much  
and see that she dont run the whole  
House, Werner and Dora an family  
spent Thanksgiving with us and we  
had had a fine time we all

enjoyed the 2 day it is shure  
fine for Old Peapel to be at Home  
when the day is over they wanted  
Us to spend the day with them  
but we told them that Ernest  
had sent us a 14 lb Turkey and  
the two Old folks could not get  
away with it we must have help  
their Boys are getting large and  
Barbary is quite large and  
Jemeth is growing fine but they  
make to much fuss over her hope they  
will be abel to learn her place and  
she is <sup>make</sup> a fine girl of her the bringing  
up of children is the greatest thing  
that the Lord has trusted Us with  
and we are resposnibel in a way  
for them if we dont do our best  
to make them real Men and Woman  
and set a good Exampel befor  
them they think thas no one like our  
Father or Mother if others doubt well

it is a straining thing<sup>3</sup> how you can get on  
and make to ends<sup>3</sup> that you could not  
in Utah most of the people are put  
to their wits end to make a living we would  
like to help you but we are getting some  
experience our selves we have had to quit paying  
our Taxes what comes from the Farm word  
pay the expenses of the same Banks  
won't Lone one Dollar the country is  
share in a fix if our President of the  
U.S don't make some changes on the way  
we are Taxed will put every body out  
of Buyness it seems that way all over  
the country I hate to mention it and  
try to forget it hoping that you may get  
a long at your Buyness and not get  
discoraged but hope on cut out all unnessary  
Expences and make the best of every thing  
and have Love at home and be kind  
and thankfull to each other we all have  
our troubles and tryed in this life
